

Courtney Stiers is an international trade professional with a focus in Foreign Trade Zones. Throughout her time in the FTZ industry, Courtney had held different roles to help expand her holistic knowledge of FTZs. She brings experiences from being a Grantee, an User/Operator, and most recently as a FTZ Consultant. Currently her focus is to help companies understand the complexities of FTZs through consulting support and implementation of systems and operational processes ensuring a compliant solution.

Mrs. Stiers is a Licensed Customs Broker, Certified Customs Specialist, and Accredited Zone Specialist. She also holds an M.B.A, Master's in International Business, B.A. in Biology, and B.A. in Business.

Courtney is also involved in the National Association of Foreign Trade Zones as a Co-Chair for their Membership Committee.
